

# CLEAR PATHWAYS

## IMPACT AREAS

Clear Pathways assists local, state, and national partners to accelerate implementation of best practice crisis response to reduce reliance on jails and hospitals, ensuring adults in behavioral health crises have a clear path to getting person-centered help.

We aim to align systems and services to connect individuals in need of treatment before crisis begins, or at the earliest possible stage of systems interaction.

**Our vision** is for people experiencing behavioral health crises to have a path to help, across Ohio and the nation.
